DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 2, 4-6, 11, 16, 21 and 26 are allowed.
2. The following is an examiner's statement of reasons for allowance: claims are allowable at least for the reason that the two stators and the movable element have a projection and a depression in the two air gaps as set forth in the claimed combination.

Tang et al (US Patent No. 5,025,346) discloses stators (Fig. 1A, 24) and movable element (34) that have a projection and a depression in one gap, not in two gaps.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
